Dear [Child's Name],

Congratulations on your kindergarten graduation!

I'm so proud of you and all the amazing things you've learned this year. From your first day of school to now, you have grown so much! You have made new friends, discovered your love for reading, and created wonderful art projects.

As you take this big step into [1st grade/next adventures], remember to always be curious and to believe in yourself. The world is full of new things to explore, and I know you will shine brightly in everything you do.

Keep smiling and having fun! I can't wait to see all the incredible things you will achieve in the future.

With lots of love,
