Dear Judge [Judge's Last Name],

Re: [Case Number or Defendant's Name] - Kleptomania Case

I hope this letter finds you well. I am writing to you regarding the ongoing kleptomania case involving [Defendant's Name].

[In this paragraph, briefly introduce your relationship to the defendant, if applicable, and provide context about the situation.]

It is important to understand that kleptomania is a recognized mental health disorder, characterized by an irresistible urge to steal items that are not needed for personal use or for their monetary value.

[Provide any relevant information or observations about the defendant's condition and how it has impacted their behavior.]

In light of this information, I respectfully request that the court consider appropriate treatment options for [Defendant's Name] rather than solely punitive measures. Access to mental health support could facilitate their rehabilitation and help prevent future incidents.

Thank you for your time and consideration.

Sincerely,

[Your Signature (if sending a hard copy)]
