Dear [Doctor's Name],

I hope this letter finds you well. I am writing to discuss my upcoming knee replacement surgery scheduled for [date of surgery]. I want to express my gratitude for the care I've received thus far and to reiterate my commitment to the recovery process.

As we approach the surgery date, I have a few questions regarding the procedure and the recovery timeline. Specifically, I would like to know about:

1. The expected duration of the surgery
2. Post-operative care instructions
3. Physical therapy recommendations

Additionally, I would appreciate any information on preparing for my hospital stay and what to expect during my recovery at home.

Thank you for your attention and support. I look forward to your response.

Sincerely,
[Your Name]
