Dear [Recipient's Name],

I hope this letter finds you well. I am writing to you as a patient scheduled for knee replacement surgery on [date of surgery]. I would like to take this opportunity to express my gratitude for the care and support I have received thus far.

As I prepare for the surgery, I have a few questions regarding the procedure and the recovery process. Specifically, I would like more information about:

1. The expected duration of the surgery
  2. Post-operative care and physical therapy recommendations
  3. Pain management options after the procedure
- Understanding these aspects will help me better prepare for my surgery and recovery.

Thank you for your attention to my inquiries. I look forward to your response.

Sincerely,

[Your Name]  
[Your Patient ID (if applicable)]
