Subject: Billing Inquiry Regarding KWH Consumption

Dear [Utility Company Customer Service/Specific Contact Name],
I hope this message finds you well. I am writing to inquire about my recent electricity bill dated [Bill Date], for account number [Your Account Number].

Upon reviewing my bill, I noticed a significant increase in my KWH consumption compared to previous months. Specifically, my current bill indicates a usage of [Current KWH Consumption], while my average usage over the past few months has typically been around [Average KWH Consumption].

I would appreciate it if you could provide further clarification regarding this spike in consumption. Additionally, if there is a detailed breakdown of my usage patterns for the past months, it would be helpful for my records and understanding.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
[Your Name]
