Dear Kentucky Real Estate Commission,

I am writing to formally request my real estate license in the state of Kentucky. After completing the required pre-licensing education and passing the necessary examinations, I am eager to contribute to the real estate market in our community.

I have [briefly mention any relevant experience or education], which has equipped me with the skills needed to excel in this field. I am committed to adhering to all ethical standards and regulations set forth by the commission, ensuring a positive experience for my future clients.

Please find attached the necessary documents, including my application, proof of education, examination results, and any additional information as required.

Thank you for considering my application. I look forward to the opportunity to serve as a licensed real estate agent in Kentucky.

Sincerely,

[Your Name]
