Dear [Recipient's Name],

As part of our ongoing efforts to ensure adherence to all relevant policies and enhance our security frameworks, we seek clarification on the following matters:

2. Access controls implemented for LDAP services.
3. Procedures for auditing and monitoring LDAP user activities.
4. Measures in place to protect sensitive information stored within the LDAP directory.

We appreciate your cooperation and look forward to your prompt response. Please let me know if we can schedule a meeting to discuss this matter in more detail.

Thank you for your attention to this important issue.
