Dear [Her Name],

As the holiday season approaches, I find myself reflecting on all the moments we've shared together this year. I am so grateful for every laugh, every adventure, and even the quiet moments that we've enjoyed side by side.

This holiday, I want to celebrate you and everything that makes you so special. From your [mention a specific quality you admire] to your [another quality], you light up my world in ways I never thought possible.

I have planned a little surprise for us to enjoy together! [Briefly describe the surprise or plans]. I hope this will create even more beautiful memories for us to cherish.

Thank you for being you and for sharing your life with me. I can't wait to see what the new year holds for us. Wishing you all the happiness this holiday season can bring.

With all my love,
