Dear [Agent's Name],

I hope this message finds you well. I am writing to discuss the upcoming NFL draft and the potential negotiations surrounding my selection. As we approach this pivotal moment in my career, I believe it's important to outline my expectations and objectives to ensure we are aligned in our approach.

1. ****Contract Expectations****: I am seeking a contract that reflects my value as a top prospect, including guaranteed signing bonuses and incentives based on performance.
2. ****Team Fit****: I have specific preferences regarding the teams I would like to engage with during the draft process. I believe a strong fit in both playing style and organizational culture is essential for my success.
3. ****Pre-Draft Meetings****: I would like to arrange meetings with interested teams to showcase my abilities and discuss how I can contribute to their franchises.
4. ****Brand Building****: I am eager to explore opportunities for endorsements and media engagements post-draft, to enhance both my personal brand and overall marketability.

I appreciate your expertise and guidance during this process and am confident we can navigate the draft negotiations effectively. Please let me know a good time for us to discuss this further.

Thank you for your continued support.

Sincerely,
