Dear [Recipient Name],

Subject: Proposal for Standardization of NTSC

I hope this letter finds you well. I am writing to discuss the important topic of NTSC standardizations and the potential benefits it holds for our industry.

[Insert a brief overview of NTSC and its current status.]

As we continue to evolve technologically, it is essential that we consider establishing a standardized approach to NTSC to enhance compatibility and performance. [Mention any key findings or insights that support this proposal.]

I propose convening a meeting to further explore this initiative and how we can collectively work towards establishing these standards. [Suggest potential dates and times for the meeting.]

Thank you for considering this important matter. I look forward to your thoughts and hope to collaborate on this initiative.

Sincerely,
