I hope this letter finds you well. I am writing to inquire about the energy efficiency programs offered by Northwest Natural. As a customer committed to reducing energy consumption and improving the sustainability of my home, I am interested in learning more about the various incentives and resources available to assist with this goal.

Specifically, I would like information regarding:

1. Current energy efficiency programs and incentives for residential customers.
2. Steps required to participate in these programs.
3. Any available rebates for energy-efficient appliances or home upgrades.

Thank you for your assistance. I look forward to your prompt response and any additional information you may provide.

Sincerely,
