Dear [Recipient Name],

Subject: Okta Integration Proposal

We are excited to present a proposal for the integration of Okta into our systems to enhance our identity and access management capabilities. Our goal is to streamline user authentication, improve security, and provide a seamless experience across our applications.

****Overview of Okta Integration****

Okta is a leading identity management service that offers secure user authentication and Single Sign-On (SSO) capabilities. By integrating Okta, we aim to achieve the following:

- Enhanced security protocols
- Centralized user management
- Simplified user access across multiple applications

****Integration Process****

The integration process will involve the following steps:

1. Requirement assessment and planning
2. Configuration of Okta directory
3. Implementation of SSO for key applications
4. User training and support

We propose to initiate the integration on [Proposed Start Date], with an anticipated completion date of [Proposed End Date].

****Next Steps****

We would appreciate the opportunity to discuss this proposal further at your convenience. Please let us know your availability for a meeting. Thank you for considering this integration to enhance our operational efficiency and security.

Best regards,
