Dear Sir/Madam,

I hope this letter finds you well. I am writing to apply for an Oyster Card that reflects my unique journey as a proud Londoner. As someone who navigates through the vibrant streets of this dynamic city, I believe my story deserves to be captured in an Oyster Card design.

I have lived in London for [number of years], and during this time, I have immersed myself in the culture, history, and diversity that this great city offers. From exploring the bustling markets of Camden to enjoying a peaceful stroll along the Thames, my adventures are as varied as the colors of the underground map.

With my application, I would like to suggest a design that features [brief description of design idea], which represents not only my personal experience but also the spirit of London itself. I am confident that this design will resonate with many other travellers and enhance their journeys.

I appreciate your consideration of my application. I look forward to the possibility of celebrating my London experience through an Oyster Card. Thank you for making the everyday travel experience in London a bit more magical.

Yours sincerely,
