Dear [Supplier's Name],

I hope this letter finds you well.

I am writing to inquire about the availability of PVC pipes in various sizes and specifications at your facility. We are currently evaluating suppliers for an upcoming project and would appreciate any information you could provide regarding your inventory.

Specifically, we are interested in the following:

1. Sizes available (diameters and lengths)
2. Types of PVC (e.g., schedule 40, schedule 80)
3. Pricing details
4. Minimum order quantities
5. Delivery lead times

Please send us your catalog or product list along with any terms and conditions. We would like to make a well-informed decision, and your prompt response would be greatly appreciated.

Thank you for your assistance.

Sincerely,
