Dear [Recipient's Name],

Subject: Important Advisory Regarding Pyramid Scheme Participation

I hope this message finds you well. I am writing to bring an important matter to your attention regarding your involvement in [Name of the Program/Opportunity].

It has come to my attention that this program may possess characteristics of a pyramid scheme. These schemes typically promise high returns with little effort, primarily relying on recruitment rather than the sale of goods or services to generate income.

Key Characteristics:

1. Emphasis on recruitment of new members instead of selling a legitimate product or service.
2. Promises of substantial returns based solely on new investments.
3. A structure where the majority of participants lose money while a small number at the top benefit.

I recommend that you carefully consider the risks involved in continuing your participation in this program. Engaging in a pyramid scheme can result in financial loss and possible legal consequences.

Please feel free to reach out if you have any questions or need further information. Your financial well-being is important, and I want to ensure that you make informed decisions.

Sincerely,
