Dear [Participant's Name],

Subject: Important Notification Regarding Investment Opportunity

I hope this letter finds you well. I am writing to inform you about recent developments regarding the investment opportunity you may have participated in recently. After conducting a thorough review and analysis, it has come to our attention that this venture operates as a pyramid scheme.

As you may know, pyramid schemes are illegal and unsustainable business models that promise profits primarily from recruiting additional participants rather than from legitimate sales of goods or services. Participants at the top benefit financially at the expense of those at the bottom, leading to significant losses for the majority involved.

We strongly advise you to cease any further investment and to reconsider your participation in this program. Please keep in mind that there is a possibility of being contacted by authorities regarding this matter, and we encourage full cooperation should this occur.

Your financial safety is of utmost importance, and we recommend exploring verified and legal avenues for investment to safeguard your interests.

If you have any questions or require further information, please feel free to reach out to us at [Your Phone Number] or [Your Email Address].

Thank you for your attention to this important matter.

Sincerely,
