Dear Qdoba Franchise Team,

I hope this message finds you well. My name is [Your Name], and I am interested in exploring the opportunity to open a Qdoba franchise in [location/city]. Having been a fan of your brand and witnessing its success in the fast-casual dining sector, I believe that Qdoba would thrive in this area.

I would appreciate any information you could provide regarding the franchise application process, initial investment requirements, and support systems in place for new franchisees.

Thank you for considering my inquiry. I look forward to your response.

Sincerely,
[Your Name]
