Dear Qdoba Customer Service,

I hope this letter finds you well. I am writing to express my thoughts regarding the recent changes to the Qdoba menu that were implemented on [specific date/menu change].

Firstly, I would like to commend your team for continually seeking to enhance the menu to cater to varying tastes and dietary preferences. However, I would like to share my concerns regarding [specific item or change you are addressing], as it has been a longstanding favorite among many customers, including myself.

The [specific dish or item] has always been a highlight of my dining experience at Qdoba, and removing or altering it significantly has impacted my enjoyment of the meal. I believe that retaining this item or providing alternative options would not only maintain customer satisfaction but also preserve the unique identity of Qdoba's offerings. I hope you will consider my feedback as you evaluate your menu options. Thank you for taking the time to read my letter, and I look forward to your response.

Warm regards,
