

Dear Qiqi,

I hope this letter finds you dancing with joy like a twirling ballerina on a rainbow! Remember that adventure we talked about? Let's plan a day filled with treasure hunting, ice cream tasting, and maybe even flying kites shaped like unicorns!

I can't wait to explore the magical woods where we can be pirates, searching for lost jewels! And afterwards, we can settle down for a picnic with all our favorite snacks - don't forget the gummy bears! Your laughter is like the sweetest melody, and I can't wait to create more fun memories together! Let's make the world our playground! Sending you a sprinkle of pixie dust and a big hug!

Love,
