Dear [Surgeon's Name],

I hope this letter finds you well. I am writing to provide a follow-up after my recent rhinoplasty procedure on [Date of Surgery].

Overall, I am pleased with my progress and the initial results. The swelling has been gradually decreasing, and I am starting to see a clearer shape of my nose. However, I have encountered some concerns that I would like to discuss:

1. \*\*[Concern 1]\*\* - [Brief description of the concern]
2. \*\*[Concern 2]\*\* - [Brief description of the concern]
3. \*\*[Concern 3]\*\* - [Brief description of the concern]

I would appreciate your guidance on these issues and any recommendations you might have. Additionally, I would like to schedule a follow-up appointment to discuss my healing process in detail.

Thank you for your attention and support. I look forward to hearing from you soon.

Warm regards,

[Your Name]
