

Dear [Recipient's Name],
In the garden where the flowers sway (A)

With every dawn, I greet the day, (A)
And cherish moments spent with you. (B)
The gentle breeze, a whispered song, (A)
It carries tales of love and cheer, (B)
Together, we have grown so strong, (A)
In every laugh, in every tear. (B)
So here's my heart, laid out so clear, (A)
With hopes that you are always near. (B)
In every season, far or near, (A)
I'll hold you close, my dear, my dear. (B)
Yours truly,
