Dear [Recipient Name],
I am writing to express my intent to apply for the Doctor of Pharmacy (PharmD) program at [Institution/Organization Name]. With a strong foundational knowledge in the sciences and a deep commitment to patient care, I am eager to advance my education and skills to become a competent pharmacist.

Throughout my academic journey, I have consistently demonstrated my dedication to the field of pharmacy. I completed my undergraduate degree in [Your Major] at [Your University], where I gained valuable experience in [relevant experiences, such as internships, volunteer work, or research]. These experiences have solidified my passion for pharmacy and my desire to contribute to the healthcare community.

In addition to my academic background, I have developed key skills such as [list relevant skills or experiences, e.g., communication, teamwork, leadership] that I believe will be beneficial in my future studies and practice as a pharmacist. I am particularly drawn to [mention any specific areas of pharmacy or healthcare that interest you] and am eager to explore these further at [Institution/Organization Name].

I am attracted to [Institution/Organization Name] due to [mention specific aspects of the program, faculty, or values that appeal to you]. I am confident that the rigorous curriculum and supportive environment will equip me with the knowledge and skills necessary to excel in the pharmacy profession.

Thank you for considering my application. I look forward to the opportunity to discuss my candidacy further and to contribute positively to the [Institution/Organization Name] community.

Sincerely,
[Your Name]
