Dear [Recipient Name],

Subject: Acceptance of Software Development Lifecycle Proposal

I am pleased to inform you that we accept your proposal for the Software Development Lifecycle (SDLC) project. After careful consideration, we believe that your approach aligns with our objectives and will facilitate the successful completion of this initiative.

We are looking forward to collaborating with your team and are excited to begin the project as per the agreed timeline. Please find attached the signed agreement and our initial project requirements for your reference. Thank you for your efforts and commitment. We are eager to see our vision come to fruition through this partnership.

Best regards,
