Subject: Nexus Letter for Skin Cancer Claim

Dear [Recipient Name],

I am writing to provide a nexus letter regarding [Veteran's Name], [Veteran's Service Number/SSN], who is a veteran of the [Branch of Service] having served from [Start Date] to [End Date].

Overview of Medical Condition:

[Name of Veteran] has been diagnosed with skin cancer, specifically [type of skin cancer], as confirmed by [Name of Medical Professional] on [Date of Diagnosis]. The medical records indicate [brief summary of medical history related to skin cancer].

Relationship to Military Service:

It is my professional opinion that [Veteran's Name]'s skin cancer is a direct result of [e.g., exposure to environmental hazards, sun exposure during military service, or any other relevant factors related to their service]. Evidence supporting this includes:

- [Example of evidence 1]
- [Example of evidence 2]
- [Example of evidence 3]

Conclusion:

Based on my evaluation and the supporting evidence, I believe that there is at least a 50% probability that [Veteran's Name]'s skin cancer is service-connected. Therefore, I recommend that the VA recognize this condition as related to their military service.

Sincerely,
