Dear [Patient's Name],

Subject: Follow-Up on Tuberculosis Test Results

I hope this letter finds you well. We are writing to follow up regarding the results of your recent Tuberculosis (TB) test conducted on [test date].

Your test results are [positive/negative/inconclusive]. [If positive: It is important that we discuss the next steps to ensure your health and the health of those around you. We recommend scheduling an appointment to discuss further evaluation and treatment options]. [If negative: You are not showing signs of tuberculosis at this time; however, please continue to monitor your health and reach out if you experience any concerning symptoms].

Please contact our office at [office phone number] to schedule an appointment or if you have any questions regarding your test results. Thank you for your attention to this matter.

Sincerely,

[Your Name]
