Dear [Recipient's Name],

Subject: Tuberculosis Test Results

I am writing to provide you with the results of my recent tuberculosis (TB) test, which was conducted on [Date of Test]. The results indicate that [insert results: e.g., "I tested negative for tuberculosis" or "I tested positive for tuberculosis and will be following up with further evaluation"].

[If applicable, include any additional information about treatment or follow-up plans, e.g., "I have scheduled a follow-up appointment with my healthcare provider on [Date]."]

Please feel free to contact me if you require any further information or documentation regarding my TB test results.

Thank you for your attention to this matter.

Sincerely,

[Your Name]
