Dear [Recipient's Name],
I hope this letter finds you well. I am writing to discuss my ongoing treatment for tuberculosis and the concerning side effects I have been experiencing.
Since starting my treatment on [start date], I have noticed several side effects, including [list side effects, e.g., nausea, fatigue, dizziness]. These symptoms have been [briefly describe how these side effects affect your daily life].
I understand that some side effects are to be expected during TB treatment; however, I would appreciate your guidance on managing these issues. Specifically, I would like to discuss [mention specific concerns or questions you have].
Thank you for your attention to this matter. I look forward to your advice on how to proceed.
Sincerely,
[Your Name]
