Dear [Recipient Name],

I am writing to inform you about the results of my recent tuberculosis (TB) test conducted on [Test Date]. I have received the outcome and would like to discuss the findings with you.

The test results indicate that [insert results: positive/negative]. As per the protocol, I understand this may require further action, such as [further tests, treatment options, or follow-up appointments].

Please let me know how to proceed and if there are any additional steps I need to undertake. I appreciate your attention to this matter and look forward to your guidance.

Thank you for your support.

Sincerely,

[Your Name]
