Dear [Recipient's Name],

Subject: Tuberculosis Test Results

We are writing to inform you of the results of your recent tuberculosis (TB) test conducted on [Test Date].

Test Type: [e.g., Tuberculin Skin Test / IGRA Blood Test]

Date of Test: [Test Date]

Result: [e.g., Negative / Positive]

Interpretation: [e.g., No evidence of active TB infection / Further evaluation required]

If you have any questions regarding your results or need further information, please feel free to contact our office at [Phone Number] or [Email Address].

Thank you for your attention to this matter.

Sincerely,

[Your Name]  
[Your Title/Position]  
[Your Organization]
