Dear [Patient's Name],

Subject: Diagnosis of Tuberculosis

We are writing to inform you about the results of your recent medical evaluation. Based on the tests conducted and the examination by our healthcare team, we have diagnosed you with tuberculosis (TB).

Your diagnosis was determined through the following tests:

1. [List any relevant tests, e.g., Mantoux tuberculin skin test, chest X-ray, sputum analysis]

2. [Additional tests, if applicable]

It is essential to treat tuberculosis promptly to prevent any complications and transmission to others. We recommend the following course of action:

- [Details of treatment plan, medications, or referrals to specialists]

- [Any follow-up appointments or additional testing needed]

Please feel free to reach out to our office if you have any questions or concerns regarding your diagnosis or treatment plan. We are here to support you through this process.

Sincerely,
