Dear [Recipient Name or "Credit Card Department"],
I am writing to express my intent to apply for a credit card with TD Bank. After researching various credit card options, I am particularly drawn to the benefits and features offered by TD Bank's credit cards. I believe that my financial history and creditworthiness align well with the requirements for the credit card, and I am eager to establish a relationship with TD Bank. I am especially interested in [specific benefits or features of the card, e.g., cashback rewards, travel benefits, low interest rates, etc.].

I look forward to completing the application process and building a long-term financial relationship with TD Bank. Thank you for considering my application.

Sincerely,
