

```
```javascript
$(document).ready(function() {
  $("#myForm").validate({
    rules: {
      name: {
        required: true,
        lettersonly: true
      }
    },
    messages: {
      name: {
        required: "This field is required.",
        lettersonly: "Please enter only letters."
      }
    }
  });
});
```
```
