

```

```javascript
(function($) {
 $.fn.uniqueLetter = function(options) {
 // Default settings
 var settings = $.extend({
 letters: 'abcdefghijklmnopqrstuvwxyz',
 caseSensitive: false
 }, options);
 return this.each(function() {
 var $this = $(this);
 var text = $this.text();
 var uniqueLetters = getUniqueLetters(text, settings.caseSensitive);
 $this.text(uniqueLetters);
 });
 function getUniqueLetters(text, caseSensitive) {
 var lettersArray = settings.letters.split('');
 var uniqueArray = [];
 for (var i = 0; i < lettersArray.length; i++) {
 var letter = lettersArray[i];
 var searchLetter = caseSensitive ? letter : letter.toLowerCase();
 if (caseSensitive ? text.includes(letter) :
text.toLowerCase().includes(searchLetter)) {
 uniqueArray.push(letter);
 }
 }
 return uniqueArray.join('');
 }
 };
})(jQuery);
```

```
