Dear TTCU Team,

I hope this letter finds you well. I am writing to refer a valued friend/family member, [Referral's Name], who is interested in becoming a member of TTCU Credit Union. I believe that [Referral's Name] would greatly benefit from the services and community support that TTCU provides.

[Referral's Name] is looking for [specific services or products, e.g., a new checking account, loan options, etc.], and I have shared with them my positive experiences with your credit union. Your commitment to member satisfaction and financial education is something that I am confident will resonate with them.

Please feel free to reach out directly to [Referral's Name] at [Referral's Email Address] or [Referral's Phone Number] to discuss membership options further. I trust that they will receive the same exceptional care and service that I have experienced.

Thank you for your attention, and I appreciate your support in welcoming [Referral's Name] into the TTCU family!

Best regards,
