Dear [Recipient's Name],

I hope this message finds you well. I am writing to discuss the negotiation of my contract for upcoming fights in the UFC. As a dedicated fighter with a proven track record and a commitment to elevating the sport, I believe a revised contract that reflects my contributions and potential is in order.

1. ****Performance Bonuses:**** I would like to propose a discussion on the structure of performance bonuses based on my previous fight performances and achievements.
2. ****Fight Purse:**** Considering my current standing and the expected growth in my audience appeal, I would like to negotiate the base fight purse to align more closely with my value as a top contender.
3. ****Sponsorship Opportunities:**** I am interested in exploring additional sponsorship avenues that would provide mutual benefit for both myself and the UFC, enhancing our marketability.
4. ****Length and Terms of Contract:**** It would be beneficial to discuss the length of the contract and any terms regarding potential title shots or rematches, ensuring that my career trajectory is adequately supported. I am looking forward to discussing these points further and am confident we can come to a mutual agreement that respects both my ambitions and the organization's objectives.

Thank you for considering my request. I am eager to continue my journey with the UFC and contribute to its ongoing success. Please feel free to reach me at your earliest convenience to schedule a meeting.

Best regards,
