Dear [Landlord's Name],

I am writing to formally inform you of my need for an emotional support animal (ESA) as part of my medical treatment plan. I have been diagnosed with [specific condition(s)], which significantly impact my daily life. After consultation with my mental health professional, it has been determined that having an ESA will provide me with essential support to help manage my symptoms.

[Pet's Name] is my emotional support animal and has been recommended by [Mental Health Professional's Name], a licensed mental health provider. Attached to this letter, you will find the documentation certifying my need for an ESA, including [any additional supporting documents, if applicable].

I kindly request your cooperation in allowing [Pet's Name] to reside with me in my unit at [Your Address]. I assure you that I will take full responsibility for the care and behavior of my ESA.

Thank you for considering my request. If you require any further information or documentation, please do not hesitate to reach out to me or my mental health professional.

Sincerely,

[Your Name]
