Dear [Patient's Name],

I hope this letter finds you well. I am writing to discuss your ongoing Vyvanse therapy and its importance in managing your [specific diagnosis]. It is crucial to ensure compliance with your prescribed medication regimen, as this can significantly impact your treatment outcomes. Regular use of Vyvanse will help in [briefly mention expected benefits, e.g., improving focus, reducing impulsivity, etc.]. Please make sure to take the medication as directed, and do not hesitate to reach out if you have any concerns or experience side effects. Consistency is key to achieving the best results from your therapy. If you have any questions or would like to schedule a follow-up appointment to discuss your progress, please contact me at your earliest convenience.

Thank you for your attention to this important aspect of your care.

Sincerely,
