Dear Dr. [Physician's Last Name],

I hope this letter finds you well. I am writing to follow up regarding my recent prescription for Vyvanse.

I wanted to discuss how I have been responding to the medication since we last met. [Briefly describe any effects, positive or negative, that you have experienced. Include dosage and frequency, if relevant.]

Additionally, I would appreciate your guidance on [any concerns or questions about dosage adjustments, side effects, or required follow-up appointments].

Thank you for your attention to my treatment. I look forward to hearing from you soon.

Sincerely,  
[Your Name]
