Dear [Doctor's Name],

I hope this message finds you well. I am writing to discuss my current dosage of Vyvanse. After monitoring my experiences and symptoms over the past [time period], I believe that an adjustment may be beneficial.

[Briefly describe your current dosage, how you have been feeling, and any specific symptoms or issues you have encountered.]

Based on this information, I would like to explore the possibility of adjusting my dosage. I value your expertise and guidance in determining what might be the most effective approach moving forward.

Thank you for your attention to this matter. I look forward to your response.

Sincerely,

[Your Name]

[Your Patient ID, if applicable]
