Dear [Recipient's Name],

I hope this message finds you well. I am writing to formally request a prescription for Vyvanse (lisdexamfetamine) for the management of my [specific condition, e.g., ADHD]. After thorough consideration and consultation, I believe that Vyvanse would be an effective option for me. [Briefly explain your situation, symptoms, and any previous treatments you've tried. Mention why you believe Vyvanse would be beneficial for you.]

I would greatly appreciate your assessment of my request and any guidance you can provide regarding this medication. I am willing to discuss this further during our next appointment or over the phone.

Thank you for your attention to this matter. I look forward to your response.

Sincerely,
[Your Name]
