Dear [Doctor's Name],

I hope this letter finds you well. I am writing to discuss my ongoing treatment for [mention specific condition, e.g., ADHD] and the possibility of a prescription for Vyvanse.

After our previous consultations, I believe that Vyvanse may be beneficial for managing my symptoms due to its [mention reason, e.g., effectiveness, duration of action]. I have done some research and spoken with others who have had positive experiences with this medication.

I would appreciate the opportunity to discuss this further during my next appointment. Thank you for considering my request.

Sincerely,  
[Your Name]
