Dear [Recipient's Name],

I hope this letter finds you well. I am writing to formally request therapy involving Vyvanse as part of my treatment plan for [specific condition, e.g., ADHD].

I have been experiencing [brief description of symptoms and how they affect daily life], and I believe that Vyvanse may help manage these symptoms effectively. I would appreciate your expert evaluation and consideration of this medication as a treatment option.

Please let me know if you require any additional information or documentation from my previous healthcare providers. Thank you for your attention to this matter. I look forward to your guidance and support.

Sincerely,
[Your Name]
