Dear [Wife's Name],

As I sit down to write this letter, I find myself reflecting on the wonderful journey we have shared together. This surprise letter is just a small token of my love and appreciation for you.

From the moment we said "I do," my life has been filled with joy, laughter, and countless beautiful memories. Your kindness and strength inspire me every day, and I am endlessly grateful to have you by my side. [Insert a personal memory or anecdote that highlights your love]

As we continue this adventure together, I want you to know that you are my everything. I cherish every moment spent with you and look forward to many more years of love and happiness.

With all my heart,

[Your Name]

P.S. I have a special surprise planned for you! Can't wait to see your reaction!
