Dear [Doctor's Name],

I hope this letter finds you well. I am writing to request a white blood cell analysis following our recent consultation regarding my health concerns.

As discussed during our appointment on [date of appointment], I have been experiencing [briefly describe symptoms or concerns], and I believe that a comprehensive analysis of my white blood cell count could provide valuable insights into my condition.

Please let me know how to proceed with obtaining this test, including any necessary preparations I should undertake and whether there are specific laboratories you recommend for this analysis.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
