Dear [Patient's Name],
Subject: WBC Count Results

I hope this message finds you well. I am writing to inform you about the results of your recent white blood cell (WBC) count.

Your WBC count is [insert result] cells per microliter, which is [insert interpretation: e.g., within normal range/above normal/below normal].

[Optional: Brief explanation of what this means and any potential implications for health or next steps.]

If you have any questions or concerns regarding your results or if you would like to discuss the findings further, please do not hesitate to contact our office at [phone number] or [email address].

Thank you for choosing [Your Organization/Facility].

Sincerely,
[Your Name]
