Dear [Recipient's Name],

Subject: JZ Modifier Utilization

I am writing to address the implementation and appropriate utilization of the JZ modifier in our service billing process. The JZ modifier, which indicates " item/service furnished in conjunction with a procedure that is not reasonable and necessary," must be accurately applied to maintain compliance and ensure appropriate reimbursement.

Please ensure that all relevant team members are informed about the correct application of this modifier in their billing practices. This will help us to avoid potential claim denials and improve our billing accuracy.

If you have any questions or require further clarification regarding the use of the JZ modifier, please do not hesitate to reach out.

Thank you for your attention to this important matter.

Sincerely,

****[Your Name]****
