Dear [Patient's Name],

I hope this letter finds you well and recovering comfortably after your recent knee replacement surgery on [Surgery Date]. We are committed to your health and want to ensure that your recovery is progressing positively.

As part of your follow-up care, please remember to:

1. Attend your next scheduled appointment on [Next Appointment Date] to assess your healing progress.

2. Perform your prescribed physical therapy exercises daily, as your therapist recommended, to aid in your recovery.

3. Monitor your pain levels and any signs of swelling or infection, and don't hesitate to contact us if you have concerns.

Please feel free to reach out to our office at [Clinic Phone Number] if you have any questions or need assistance. We are here to support you on your journey to recovery.

Wishing you a smooth and speedy recovery!

Warm regards,
