Dear [Recipient's Name],  
I hope this message finds you well. I am writing to share an XQL query that I have constructed for [specific purpose, e.g., data retrieval, analysis, etc.]. Below is the query:

````xql

```
SELECT [columns]
FROM [table]
WHERE [conditions]
ORDER BY [column]
LIMIT [number];
```

````

Please let me know if you have any questions or need further adjustments.  
I look forward to your feedback.

Best regards,
