Dear [Recipient Name],

I hope this letter finds you well. My name is [Your Name], and I am writing to you on behalf of the xqemu project. As you may know, xqemu is an open-source emulator that aims to preserve gaming history by enabling users to play classic games on modern hardware.

We are reaching out to you and [Recipient's Organization] to request your support through a donation. Your contribution would greatly assist us in continuing our development efforts, enhancing our features, and ensuring a seamless experience for our users.

The funds will be used directly for:

- Development tools and software licenses
- Server costs for hosting and maintaining the project
- Community outreach and education initiatives

Every donation, no matter the size, makes a significant difference in our mission. We are committed to transparency and accountability, and we would be happy to provide updates on how your contributions are being utilized.

Thank you for considering our request. We hope you will support our cause and help us preserve the legacy of classic gaming. If you have any questions or would like to discuss this further, please feel free to contact me at [Your Email].

Sincerely,

[Your Name]
