Dear Parents and Guardians,

We are excited to share some updates regarding our classroom's use of Xtramath, an educational program designed to help students improve their math fluency.

**\*\*Program Overview:\*\***

Xtramath is an online tool that provides students with the opportunity to practice and master their basic math facts in addition, subtraction, multiplication, and division.

**\*\*Recent Progress:\*\***

This month, students have shown great enthusiasm in using Xtramath. Many have improved their speed and accuracy in solving math problems, which will be beneficial as we progress through our curriculum.

**\*\*Upcoming Goals:\*\***

In the coming weeks, we will be focusing on [specific math concepts or skills]. We encourage you to support your child by engaging in math-related activities at home.

**\*\*Home Access:\*\***

Please ensure your child is accessing Xtramath at home. Here's how you can help:

1. Visit [Xtramath website link].
2. Log in using [student login information].
3. Set aside a few minutes each day for practice.

**\*\*Feedback & Support:\*\***

We appreciate your support as we enhance our students' math skills. If you have any questions or concerns, please feel free to reach out.

Thank you for your continued partnership!

Sincerely,
